

Welcome to Bandcamp order fulfillment through Spinney Media!

If you are interested in having Spinney Media fulfill orders for your Bandcamp account, please follow the instructions below to begin that process.

Please note: Bandcamp order fulfillment is treated as "external" orders for Spinney Media (a sale initiated through your personal account, not through Spinney Media's marketplace). Because you are paid for sales directly by Bandcamp, we bill back our shipping and handling costs for external orders to your payment type on file.

1. Contact Spinney Media at support@spinneymedia.com to confirm your participation in this program, providing your **exact** Bandcamp store name & email address associated with the account.
2. Once Spinney Media has confirmed your participation in the program, we will provide you with an email address to add to your Bandcamp account settings.

Instructions on adding a fulfillment partner in Bandcamp:

- Log in to your Bandcamp account.
- Navigate to your Tools page.
- Click on Physical Orders: > Manage.
- Click the link: to "Give a fulfillment partner access to this page" or "Click here to give a fulfillment partner access to this page".

The modal contains a text input field labeled 'Enter the partner's email:' and a blue button labeled 'Send email invitation'. The background page is dimmed and shows the same search and filter options as the first screenshot, with the text 'No orders to show' visible.

3. After you have added that information to your Bandcamp account, please contact support@spinneymedia.com to let us know this step has been completed.
